REMARKS

Applicants submit the following remarks in response to the non-final Office Action mailed May 19, 2004. This response is submitted with a Petition to Revive the above-identified Application pursuant to 37 C.F.R. § 1.137(b). In view of the following remarks, revival, reconsideration, and allowance of the application and claims are respectfully requested.

Applicants respectfully submit that claims 1-40 are allowable over the cited references for at least the reason that the cited references do not disclose, teach, or suggest a system or method for a metaprogramming software development environment where a meta-machine binds components from an object model with one or more metaprograms reflecting a computer system architecture to generate a software system. The rejections presented in the Office Action are discussed below.
